Chorus: Grant us, Lord, a new heart,
Loving all the world
Grant us, Lord, a brave heart,
Ready to fight at your side.

1. Let us cast away the deeds of our old selves
And destroy all that provokes the wrath of God;
Let's put on the new, white robes in Christ our Lord;
a new self will be formed in each of us.

2. Love will govern lives and deeds of the new people;
They will show how to renew the human hearts;
The new people will devote their lives to service,
To creating a new world, the world of God.

3. The new people will bring peace to all the earth;
They'll unite the nations in the sign of faith;
The new people will bring freedom to our planet,
And the truth will set us free, destroy all wrong.
