Light-Life Movement song of the year 2020/2021

*Music & Lyrics: Aleksandra & Krzysztof Rębacz*

*English version: Agata Jankowiak; consultant: Jagoda Gajewy*

*Guitar & Vocal: Karolina Jankowiak*

1. When I sin and darkness fills my heart and mind  
You're the only One who knows the way  
Guide me through life, be my stronghold and peace  
Almighty Lord, please, help me to be born again!

*Chorus:* Fill me with your grace, Lord, teach me to love,  
send your Holy Spirit—Amen!  
You're the mighty one and you make me new,  
strong in heart—I will worship you.

2. There is light and guidance, Lord, in all your words  
And your Body is the food I need;  
You give me friends so that I can be strong  
And when I'm weak they will help me to grow in faith.

3. You're the source of joy and you dispel all fear  
Please, help me bear witness to your works!  
It's from your Cross that I learn how to be  
a gift for people whom I meet along my way.

*Bridge:* When I have doubts and I can't see my goal —Your will be done, o my Lord!
