Music and lyrics based on Mark 10:17-30 and homilies of Pope Francis
MARTA i DAREK MADEJSCY

English version

Marta i Darek Madejscy, Agata Jankowiak

1. Father, whose face is youthful forever,
Keeps inviting me to be a part of His heaven
Just like the rich young man I ask You, Jesus
How can I inherit Your kingdom?

Teach me how I can share
All that I own, all my assets
Follow you not looking back
Lord, guide me, fill me with courage

*Jesus, please shape my heart again
Jesus, show me the way I should take
Jesus, call me by name today
If You lead me I won't be afraid*

2. Father, whose face is youthful forever,
Calls us to proclaim hope and peace to all people
And to create better future for nations
All united in our God's love

Spirit come, live in us
Help us to deal with our sorrows
Send us forth to share our faith,
spread love and joy to the whole world

*Jesus, please shape my heart again
Jesus, show me the way I should take
Jesus, call me by name today
If You lead me I won't be afraid*

I am youthful, my heart is brave and young
I am youthful, I've got a brave young heart from my God!
